

Texas County Technical College Professional Licensure Disclosure

Texas County Technical College has made reasonable effort to determine graduate eligibility for licensure for programs advertised as leading to licensure. Students who are located in states other than Missouri, or plan to relocate, should research any certification or employment requirements for their respective chosen state. If you have any questions, please direct them to Christopher Crismon, Compliance Manager at Arizona College of Nursing: ccrismon@arizonacollege.edu

Program	Profession	Program does not lead to licensure or licensure not required in the following states:	Curriculum meets the state educational requirements for licensure or certification in the following states:	Curriculum does not meet the state educational requirements for licensure or certification in the following states:	Texas County Technical College, after all reasonable efforts, has been unable to determine whether the program meets requirements for licensure in the following states:
